

## **Ananda Living Wisdom School Covid Safety Plan (CSP)**

- \*No more than 10-11 students per classroom
- \*Desks 6 feet apart
- \* Students in 3<sup>rd</sup> through 8<sup>th</sup> grade must wear masks (our high school is totally online)
- \*Outside instruction in designated outdoor classrooms when weather permits
- \*Windows and doors open in classrooms when weather permits
- \*Practice social distancing in classroom
- \*All teachers and staff must wear masks
- \*All parents must wear masks on campus at drop off and pick up
- \*Parents will not congregate or socialize on campus before and after school
- \*No parents in classrooms
- \*Teachers and staff are tested for Covid-19 once a month
- \*Temperatures taken daily before students enter classrooms
- \*CDC symptom check every morning before students enter classrooms
- \*Each classroom will stay as a separate cohort—will not combine during recess or for any other reason
- \*Will follow CDPH guidelines when staff or student have symptom(s) or have tested positive
- \*Frequent handwashing and sanitizing
- \*Thorough and on-going disinfecting of frequently touched spots inside classrooms
- \*Thorough cleaning and disinfecting of bathrooms
- \*Will follow CDPH requirements for dealing with staff or students with symptoms, testing positive for Covid-19, or being exposed to someone who tested positive.
- \*Cancel every traditional school event that brings parents, staff, and students together
- \*Send all Covid safety information from CDC and CDPH to parents including holiday information
- \*Regular communication with parents asking for transparency about traveling and contact with others outside of the school cohort
